

55 youth receive training under MoEFCC

Coimbatore: Fifty-five unemployed youth across country successfully completed a month-long training — free of cost with boarding, lodging and training kit — in two Green Skill Development Programmes (GSDP) at the Institute of Forest Genetics and Tree Breeding in the city on Friday. Dr C Kunhikannan, Director IFGTB awarded certificates to successful trainees from the MoEFCC. Green Skill Development Programmes of MoEFCC is an initiative for skill development in the environment and forestry sector for youths to get gainful employment.
