

THE TIMES OF INDIA

As part of the World Wetlands Day, Environmental Information, Awareness, Capacity Building and Livelihood Programme (EIACP) Centre launched an awareness campaign at ICFRE-Institute of Forest Genetics and Tree Breeding in the city on Friday. The campaign's primary goal was to create awareness about the importance of wetlands among students and the public. Dr C Kunhikannan, director, ICFRE -IFGTB, launched the campaign and released an awareness poster on the current year's theme 'Wetlands and Human Wellbeing'.
