

Earth Day observed

COIMBATORE

The ENVIS Centre on Forest Genetic Resources and Tree Improvement at the Institute of Forest Genetics and Tree Breeding (IFGTB) here observed the Earth Day 2021 digitally through Facebook live programme on Thursday. IFGTB director C.

Kunhikannan inaugurated the digital event and released an awareness poster on the theme 'Restore Our Earth'. He highlighted that the earth's natural resources including air, water, soil, minerals, plants, and animals should be utilised in a proper way.

An awareness quiz was organised for students and the general public. E-certificate was awarded to all 899 participants and the digital copy of the awareness poster was shared with all the stakeholders. ENVIS coordinator Kannan C.S. Warriar and ENVIS programme officer S. Vigneswaran also spoke.
