

Skill development programmes

Three green skill development programmes organised by the ENVIS Centre on Forest Genetic Resources and Tree Improvement began at the Institute of Forest Genetics and Tree Breeding (IFGTB) on Monday. The programmes will be on 'Quality Planting Material Producer, Forest Entomology and Pest Control and Plant Tissue Culture and its Applications' and are offered free of cost. IFGTB Director C. Kunhikannan inaugurated the programmes, a release said. The participants will receive a certificate from the Ministry of Environment, Forest and Climate Change on completion of the training, the release added.
