

International Day for Biodiversity observed

Coimbatore: International Day for Biological Diversity 2021 was digitally observed by the ENVIS centre at the Institute of Forest Genetic Resources

and Tree Breeding (IFGTB) on Saturday. While delivering his address

online, Director of IFGTB C Kunhikannan appealed to the people to conserve the biodiversity for a sustainable future. Senior Principal Scientist and ENVIS Coordinator Kannan CS Warriar also spoke on the occasion held at the ENVIS centre.
