Madurai: As many as 1,148 saplings were planted by graduates at Yadava College on Tuesday in Madurai as part of the 'Green Graduation Day', an initiative to achieve the sustainable development goals of the World Health Organization. As part of the 43rd graduation day of the higher education department, 681 men and 467 women graduates received their degrees and planted a sapling with their name board on the 46-acre college campus. The saplings included varieties of native trees such as Tamarind (Puliyam), Pongamia (Pungai), Portia (Poovarasam), Burflower (Kadamba), and Albizia Lebbeck (Vaagai). Justice S Rajeswaran, former Judge of the Madras High Court, delivered the convocation address. TNN
