

KCR: Replicate Gajwel model to revive forests

22 August 2019

Hyderabad: CM K Chandrasekhar Rao has asked the district collectors to follow the Gajwel model of forest revival and prepare an action plan to restore forests across the state. “Social forestry helps in bringing down temperatures and getting more rains and improving biodiversity,” he said on Wednesday during a tour of ministers, collectors and senior officials about revival of forests in Gajwel, the assembly constituency represented by him, and explained how the revival programme had been successfully implemented in Singayapalli, Nentur and Komati Banda. Later, the CM visited the Mission Bhagiratha plant at Komati Banda followed it up by with a meeting on the new Panchayat Raj, Municipality Act and new Revenue Act. “The government is drafting the Revenue Act to ensure a corruption-free and transparent administration,” he said.
