'Steps initiated for forest infrastructure'

28 June 2019

NEW DELHI: AAP government has told the National Green Tribunal that steps have been initiated to enhance the infrastructure and staff strength of its forest department for better preservation and conservation of forests.

The submission was made in a report filed pursuant to the NGT's March 25 order asking whether its December 10, 2015 direction to enhance the department's staff strength and providing proper infrastructure and equipment to its officials has been complied with.
