

World Wildlife Week celebrations from October 2

01 October 2019

The Forest Department along with the Salem Nature Society will be celebrating World Wildlife Week here from October 2 to 6.

According to officials, the celebrations would be held at CSI Polytechnic College and various events have been planned during the week for school and college students. District Forest Officer A. Periasamy said wildlife experts would be conducting seminars on various topics as part of the celebration. Besides that, participants would be taken on nature walks, trekking, and bird watching.

A wildlife photo exhibition would be organised at the college premises on October 6. Winners of various competitions conducted as part of World Wildlife Week would be awarded during the event.
