Dear All,

Please help us raise awareness about the importance of protecting forests and the environment as a way to prevent future pandemics.

FAO, UNEP and RECOFTC are hosting a youth video competition.

Participate in this video competition and submit a video sharing how the pandemic has impacted them and how youth voices can raise the issue of protecting forests to prevent pandemics?

The video can be produced from anywhere using a smartphone, tablet, camera or any gadget!

Register and upload your video in the link: https://docs.google.com/forms/d/e/1FAIpQLScxUJ1oLIwtOUipCA7hrEphXgiQ7oKSmp0QphiGvZskXwtVNg/viewform.

Students have time until 8 November 2020 to submit a 1-minute video for a chance to win a GoPro camera and be recognized by the UN!

For clarifications visit: https://www.recoftc.org/forests-pandemics-video-competition.

The winners will be announced in a virtual ceremony later this year.
