

Inhale more fresh air and exhale stress under the lap of nature now, thanks to the biggest park and urban forest in the capital city Bhubaneswar, called the Anandabana which has come up in Kalinga Nagar area. 90 acres of forest area, comprising soil and rock trail, cycle trail, fragrance trails, water bodies, miyawaki canopies, plantations galore, Koraput Coffee, Millet Shakti Café. What else do you need in a park? The natural environment includes medicinal plants, flower and many other plantations. The park is divided into two portions and is connected with a foot overbridge. This 90-acre forest has 60 acres on one side and 30 acres of forest on the other side of the road. The park also features 550 metres of rock trails and 32,750 square feet of water bodies that provide habitats for aquatic species. Laying focus on fitness, Anandabana also provides walking, cycling and other facilities. Anandabana also offers a range of amenities to its visitors, including vehicle parking space, benches for relaxation, rain shelters, children's play area, public facilities and kiosks to serve healthy food. The visitors will get a chance to sit and enjoy Koraput coffee in the forest and can also visit the Mission Shakti outlet. Anandabana is open for public from 5 am to 5 pm. Fostering a healthy urban environment, this green infrastructure in the heart of the city offering a range of amenities promises the visitors a splendid time.
