Delegation meet CM to discuss forest protection

TNN | Apr 8, 2022, 03:37 AM IST

Raipur: In a meeting on Thursday with a delegation of Netherlands' global organization Commonland Foundation, which is working towards inclusive development in two tribal villages of Kabirdham district, CM Bhupesh Baghel suggested promotion of commercial production of fruits and starting their processing in gram panchayats selected by the foundation. The delegation was led by William Farwerda, CEO of the foundation.

Commonland Foundation has selected two Baiga-dominated gram panchayats Dholbajja and Shambhupipar of Bodla development block of Kabirdham district as pilot project. This organisation is working with tribal people for traditional knowledge, convergence of various schemes and using modern technology for environmental protection and development of tribal community.

CM discussed in detail about schemes related to environment protection. TNN
