Kolkata: In a tribute to the late P K Sen, former director of Project Tiger, an NGO will honour forest and conservation workers with Padmashri PK Sen Memorial award.

Joydip Kundu of Society for Heritage and Ecological Resources (SHER) said the award would be given at a school on July 26 ahead of Global Tiger Day on July 29. "Sen was the real voice of conservation. We will give this award to forest foot soldiers, who too are the real heroes of conservation," he said, adding Sen's daughter Richa Prashant would be present.
