

March and April tree sale event details

17 February 2022

Surrey, B.C. – City of Surrey announces details for two upcoming tree sale events that provide residents the opportunity to purchase quality trees at an affordable price. Purchases will be made online and then later picked up from the Surrey Operations Centre (6651 148 Street).

“The City of Surrey’s popular tree sale is back with the first two dates scheduled for 2022,” said Mayor Doug McCallum. “Once again we are pleased to offer residents an affordable way to plant trees on their property to help contribute to our thriving urban forest in Surrey. Our tree sale often sells out, so remember to mark the date on your calendar to ensure you get your tree of choice.”

The first tree sale opens March 2 at 9:00 A.M. and closes on March 16, with a tree pickup date of March 27. The second tree sale opens April 20 at 9:00 A.M. and closes May 4, with a pickup date of May 15. Each sale will have up to 1000 trees available for purchase, while supplies last.

Varieties may include maples, dogwoods, magnolias and assorted fruit trees which all grow well in Surrey. Trees are sold on a first come, first served basis. All trees are \$20 (includes taxes). Two additional tree sale dates will be announced later in the year.
