Plantation drive organised in Sindh Forest Division

18 march 2024

Srinagar, Mar 17: A plantation drive was held in Sindh Forest Division in Ganderbal to promote environmental conservation.

On the occasion, Danish Khan, SFS, Divisional Forest Officer of Sindh Forest Division, emphasised the crucial significance of forests and watershed management in addressing environmental concerns. Danish said that maintaining the water regime in the region is important. "J&K forest department is planting 1.6 crore plants across J&K to increase the green cover in UT," he said.

The event witnessed active participation from the District Administration, civil society representatives, educational institutions, and dedicated volunteers from NGO NLCO. During his address, Shyambir Singh, Deputy Commissioner of Ganderbal, stressed the pivotal role of citizens in environmental conservation efforts.
