

Punjab Agricultural University, Forest Research Institute ink pact

06 October 2021

Punjab Agricultural University (PAU) has entered into an agreement with Forest Research Institute (FRI), Dehradun, for research, transfer of research, technology and exchange of academic affairs.

The FRI is an autonomous body of the Ministry of Environment, Forests and Climate Change that carries out research, education, training and extension on forest and forestry and other allied sciences in the country.

It is aimed at establishing mutual relations between scientific, technical and administrative personnel of the two organisations as well as creation of facilities for exchange of scientific technology, technologists and experts. Dr RS Sidhu, Registrar, PAU, and Dr NK Upreti, group coordinator (research), FRI, signed the MoU. It was held through virtual mode. — TNS
