Siruthuli has launched a drive to plant 30,000 saplings on the Southern Railway land at Ondipudur.

According to a press release, the first sapling was planted on Sunday by U. Subba Rao, Divisional Regional Manager, Salem Division and A. Annadurai, Additional Divisional Railway Manager, Salem.

Spark Round Table 323, Rotary Smart City and Hope of Home are part of the drive.

The saplings will be planted in Miyawaki method and most of these will be native varieties endemic to the Western Ghats, the release added.
