

Tree plantation drive at Chozuba

May 20, 2022

In commemoration of “World Environment Day 2022”, ADC Chozuba has informed that the sub-division will organise a “mega tree plantation” on the theme, “One Person, One Tree” along with Phek district on June 4. The ADC has directed all village council chairman/VCMs under the sub-division to identify the areas/ village approach roads/ agri-link roads, etc. and carry out tree plantation in their respective village within a minimum of one third of the population of the village. ADC said the tree saplings shall be arranged/ managed by the concerned village council. All administrative circles head of offices under the Chozuba sub-division have been directed to identify the areas/ stretch of roads where the plantation was to be carried out and intimate the same to the sub-committee, mega tree plantation and also submit the appropriate requirement of tree sapling for their respective office/ areas simultaneously.
