VISAKHAPATNAM: RINL Visakhapatnam steel plant CMD Atul Bhatt launched a mass tree plantation programme, as part of Azadi ka Amrit Mahotsav celebrations, here at Ukkunagaram Township on Sunday.

Speaking on this occasion, Bhatt said that VSP is the only plant where most of the area is covered under green belt, thick forest, oxygen pockets in township areas thereby making it the biggest carbon sink among all the steel plants. He lauded the efforts of the agroforestry wing of 'town administration' department for maintaining Ukkunagaram Township under sustainable greenery in harmony with nature.
